Time of arrival : <u>—</u>	Time of departure: <u>3:00 PM</u>
Objective of activity / visit: <u>To accumulate & formulate</u>	Outcome of the activity / visit: <u>Report on the infrastructure</u>

Major points of the day:

Day 5 transitioned from village life to digital advocacy. Leaving was tough, but the mission continued. Satellite imagery provided a bird's eye view for documenting the village's infrastructure. A detailed map followed, plotting key locations and their impact. Finally the report - a culmination of experience is taking shape, focusing on the rural infrastructure, its impact on livelihoods, detailing challenges and advocating for solutions. This report, a potential voice for the voiceless, ignited a fire to fight for a better

more sustainable future.

The ground journey ended for this week but
the fight just began.
